## Other Ways to Support Our Build:

There are several ways to support our Habitat build, even if you cannot help build the home:

- Provide water or Gatorade (*smallest bottles possible; dropped off by Sept. 1 to the church or Marwen's house*)
- Provide snacks (*individually wrapped; dropped off by Sept. 1 to the church or Marwen's house*)
- Help with stock the pantry items for home dedication (date TBD)
- Offer prayers for a safe build and for our homeowners

If you can help with one of the above needs, contact Marwen McDowell at [marwen@carolina.rr.com](mailto:marwen@carolina.rr.com).

## About the New Homeowner:

Tabitha is a Charlotte native who has lived in the area for over 33 years. She has an active, outgoing 10-year-old son, Rondreaus. As a family, they love to ride scooters, play sports, walk, and play board games. Tabitha enjoys reading, catching up on her favorite shows, and doing housework.

Currently, Tabitha rents an apartment and has been heavily impacted by the rising cost of living. Her mother has been a Habitat homeowner since 1995, and Tabitha has always dreamed of owning her own home. She set a goal to be a homeowner by 2025 and turned to Habitat Charlotte Region to help her achieve it. When she found out she had been accepted into Habitat's homebuyer program, her first call was to her mom to share the good news.

So far, Tabitha's favorite part of her Habitat journey has been volunteering at the ReStore, participating in community events, and picking out the colors for her home. She has also gained valuable knowledge about money management and credit building to prepare her for homeownership through Habitat's Financial Literacy program.
